

Welcome to Our Emozi® Launch Night!

Building Confident, Thoughtful Young People

Why it Matters in Middle School

Supporting Growth During a Time of Change

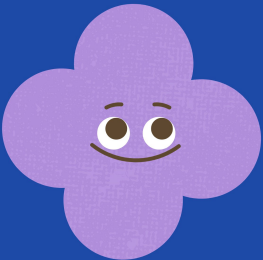

- Develops self-awareness, empathy, and self-control
 - Equips students to navigate peer pressure and conflict
 - Reinforces responsibility, motivation, and respect
- Creates a safer, more connected school climate

What is Emozi®?

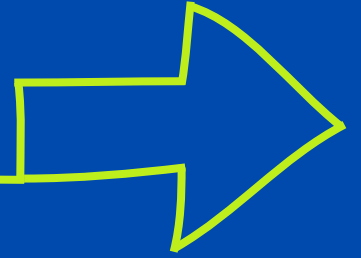

A Program Designed for Real-World Skills

- Weekly lessons focused on relevant middle school topics
- Discussion-based and interactive
- Characters and scenarios students relate to
- Helps connect classroom learning to everyday life

What Will My Teen Be Learning?

Topics That Matter to Middle Schoolers

- Understanding and managing emotions
- Setting and respecting boundaries
- Handling social conflict and exclusion
- Building healthy relationships and decision-making skills

How You Can Help at Home

Partnering With You at Home

- Ask your child what they learned during Emozi time
- Reinforce strategies at home (like calming down or speaking up)
- Model problem-solving and listening
- Stay curious and connected—even when your child isn't chatty!

You can also visit our Emozi® Parent Hub on our website to get in contact with us and hear more about our program/ at-home materials.

Thank You for Supporting Emozi®

- We're excited to grow together as a school and family community.
- If you have questions about Emozi® or how to get involved, please reach out!
- Let's work together to help our children thrive—at school, at home, and in life.

FINISHED!
