Ollie the Owl Learns Persistence

In a forest green and wide,
Lived Ollie the Owl, with wings spread wide.
He dreamed of flying high in the sky,
But learning was tough, he wondered why.

One morning bright, with the sun so high,
Ollie decided he'd give it a try.
He flapped his wings and gave a leap,
But down he went, in a tumble heap.

Ollie felt sad, his heart sank low,
He thought, "I'll never learn to go."
But Grandma Owl, so wise and kind,
Said, "Keep trying, dear, you'll find your mind."

"Persistence means you stick to it,
Even when you want to quit.
Try and try, again and again,
Soon you'll fly with the wind, my friend."

Ollie nodded, determined and strong,
He knew that Grandma couldn't be wrong.
He climbed up high on the old oak tree,
And flapped his wings, feeling free.
He tried once more, and then again,
Falling and tumbling, but never in vain.
With each new try, he learned a bit,
And his courage grew, bit by bit.

His friend Benny the Bear came by,
"Don't give up, Ollie, you can fly!
I remember learning to climb a tree,
It took some time, but look at me!"

Next came Harriet the Hare, so quick,
"Hopping high was quite a trick.
But I kept trying, day and night,

Now I hop to my heart's delight."

Ollie felt his spirits lift,
His heart was strong, his wings a gift.
He tried again, with all his might,
Flapping his wings, he took to flight.

Up he soared, above the trees,
Feeling the wind, the gentle breeze.
He flew and flew, with a joyful cry,
Ollie the Owl was in the sky!

He circled round, then landed light,
His heart was full, his eyes so bright.
He'd learned that trying, again and again,
Leads to success and a happy end.

Grandma Owl smiled with pride,
"You did it, Ollie, you really tried.
Persistence is the key, you see,
To achieve your dreams, to be truly free."

Ollie hugged his Grandma tight,
Feeling proud and full of might.
He knew that with persistence, strong and true,
He could do anything he wanted to.

So remember Ollie's tale so sweet,
When you face a challenge, don't accept defeat.
Keep trying, trying, with all your might,
And you'll find success, shining bright.

Dear Families,

Today in class, we learned about persistence through the story "Ollie the Owl Learns Persistence." This story teaches children the importance of keeping on trying, even when things are difficult.

Here's what we learned:

- Persistence – Understanding that we should keep trying even when things are tough.
- Encouragement – Recognizing that friends and family can help us stay motivated.

We practiced these concepts through role-playing and making "Persistence Stars." You can help reinforce this at home by encouraging your child to talk about what they are trying to get better at and how they can keep practicing.

Thank you for your support!

With gratitude,

Persistence Star
